

The Right Tools For a Successful Shutdown

Perfect for Shutdown Contractors, Subcontracted Service Providers, Rental Companies and the everyday user!

We understand that Plant Shutdowns and Turnarounds can be challenging and complex. You need to make sure your personnel are kept safe, your budgets are controlled, and your projects come in on-time, every time.

An inventory of damaged, faulty or inefficient tools can make achieving these primary objectives even more difficult. When you invest in Enerpac tools, they are designed with the engineering expertise and quality that you would expect from the leader in hydraulic industrial tools for over 110 years...

SHUTDOWN SORTED

In this special offer we've packaged together all the tools you need to get your **Shutdown Sorted**. Save money with **free tools** and accessories that will give you confidence that you can complete your projects on-time and on-budget.

Learn how the Enerpac controlled bolting product line will ensure your operation runs smoothly long after shutdown.

HYDRAULIC TORQUE WRENCHES

FREE BACK-UP SPANNER*

WITH EVERY TORQUE WRENCH

Work safely with the Enerpac back-up spanner, the **spark free** alternative to flogging spanners. These tools **won't lock on** fit and easily onto the rear nut during the make-up or break-out of bolted joints. Get one free with every complete torque wrench purchased.

*Within the same size range as the purchased torque wrench. Available with S, W, RSL, DSX & HMT Series Torque wrenches.

FREE EXTRA DRIVE UNIT*

Double your productivity with an additional torque wrench drive unit when you buy a single drive unit and three cassettes.

*Within the same size range as the purchased torque wrench. Available with S, W, RSL, DSX & HMT Series Torque wrenches.p>

PHL Hydraulics & Enerpac

HYDRAULIC BOLT TENSIONERS

Bolt maintenance is a critical time element in shutdowns, so why not lighten the load with a **free** adaptor or quick fastening nut with every tensioner load cell purchased.

FREE ADAPTOR & BRIGE KIT*

Available with HM-Series

FREE ADAPTOR & BRIGE KIT*

Available with GT-Series

FREE QUICK FASTENING NUT*

Available with EAJ-Series

*Free adapter kit/quick fastening nut based on smallest tensioner load cell ordered.

PUMPS

FREE HOSE AND 1 LTR OIL

Power-up your Shutdown maintenance programme with a free hose and 1 ltr of hydraulic oil with every torque or tensioning pump.

Available with LA2504TX-QR, ZA4208TX-QROP, TQ700E, XC1502TE, EP3504TE, ZUTP1500E, ATP1500

NUT SPLITTERS

FREE HAND PUMP SET

WITH EVERY 3 CUTTERS YOU PURCHASE

Don't let seized and corroded nuts hold-up your shutdown maintenance schedule. For every 3 nut splitters purchased get a free hand pump, gauge and hose set (P39 Pump, HC7210 Hose and GA45GC Gauge).
